

Hygiene Certificate

FlexiChef®
smart cooking. smart cleaning.

The
FlexiChef®

 **SpaceClean**

MKN guarantees:

-  Compliance with the HACCP regulations by means of the automatic cleaning system SpaceClean. Automatic documentation in the HACCP protocol.
-  Antibacterial process with lye (caustic) ensures perfect hygiene. Constantly reproducible results, with low water consumption.

Confirmed by Dr. Herbert Bendlin (Dipl.-Chem.)

Publicly appointed and sworn expert of the
Chamber of Industry and Commerce Koblenz for
drinking water, pure water and ultrapure water.

Valid until 31.12.2026
